GUIDING

RAY E. DEARDORFF, B.A., M.S.
Superintendent of Ottawa Hills schools

When Ray E. Deardorff came to Ottawa Hills in 1937, few could have foretold the diversified career that was to be his. His first accomplishments were in the field of athletics when in 1942 he coached the basketball team to a state victory. Off the court, he devoted his time to teaching a variety of subjects. In fourteen years he ascended the administrative ladder from assistant principal to principal to superintendent.

Aside from his busy schedule, he found time to take part in many professional activities on educational committees, national, city, state, and county organizations and athletic boards. He was also instrumental in

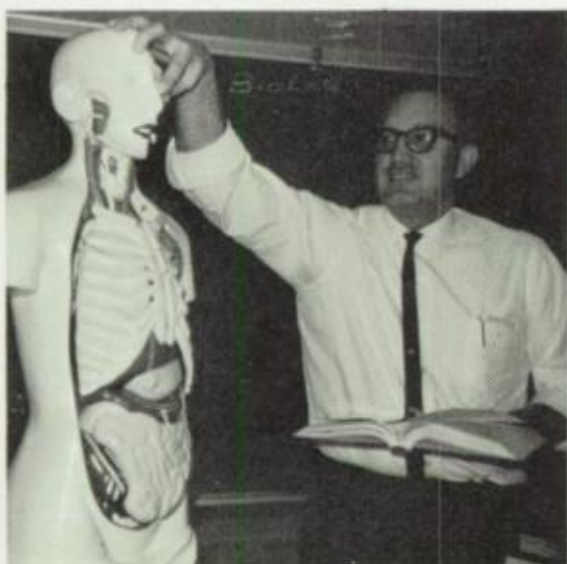

establishing and organizing the area and state Student Council. His many contributions have led to his listing in *Who's Who in American Education*.

At the termination of such long association with Ottawa Hills, Mr. Deardorff could not help but express a note of optimism,

"This school system has in the past few years met many of the greatest challenges of its history and has never achieved higher educational standards than those of the present time. The Ottawa Hills School system has met its challenges, and I have every confidence it can continue to do so."

CLASSES OFFICERS

SEATED: Lynn Faber, Vice President; Mike Brooks, President. STANDING: Karen Siskind, Treasurer; Helen Kendrick, Secretary.

"Who ever said being an officer is work?"

"You'd better believe we're the best!"

The Senior Class of 1967 will soon be fading into a memory for the underclassmen and faculty of Ottawa Hills High School; however, this memory will be one of the finest the school has had for many years.

The Class of '67 is a group of extremely talented individuals ranging from athletes to scholars, from actors to poets, and from musicians to scientists. But we haven't been just a "class" or large group of people following each other around like sheep; we have been instead a group of individuals united by our own personal excellence.

Now we are on our way out; we are becoming something that was. We are becoming a memory, but not a memory that is thought of and soon forgotten. The Class of '67 will long be remembered as one of the finest ever at O.H.H.S.

Winning TD

Halfback Jim O'Hara did it last night for Ottawa Hills High School—this time in the clutch.

O'Hara, a 6-1, 205-pound junior, scored three touchdowns, and it was the last one which fully counted.

It came with less than two minutes remaining and the Hills leading, 20-19.

With O'Hara, who has now scored 15 touchdowns in seven games, Ottawa Hills edged Liberty Center, 25-20.

O'Hara's winning TD came on a one-yard run but he set it on the previous play with a yard dash. On a third-and-eight situation, O'Hara was apparently trapped on an end reep. But he broke three tackles and wasn't stopped until he reached the Liberty Center line.

The other Ottawa Hills' TD was scored on Mike Miller's three-yard run. Jerry Krugh tallied twice for the losers on one-yard smashes and Richard Meyers once on a three-yard dive.

O'Hara Scores 2 in Hills' Victory

Once-beaten Ottawa Hills High School drubbed North Baltimore, 35-0, for its fourth football victory last night at Ottawa Hills.

Ottawa Hills Wins As O'Hara Stars

Special to The Blade

LAKEVILLE, O., Oct. 1 — It was difficult to determine if those victorious "OH" banners were being waved for Ottawa Hills or O'Hara last night.

Big Jim O'Hara, a 6-1, 205-pound halfback, scored three touchdowns to lead Ottawa Hills to a 33-6 triumph over Lakeside High School in a non-league football game.

O'Hara, known as Jamie O'Hara a few years back when he was better known in swimming circles than football, ran 45 yards for one TD in the third quarter and 33 for another in the final period. He also caught an 18-yard pass from quarterback Jeff Steinberg for six points in the second stanza and the same duo clicked for the two points.

The touchdowns were Nos. 6, 7, and 8 for O'Hara this season and he's only a junior.

Mike Miller banged over from four yards out for the first Ottawa Hills' marker while Ben Durfee got the other one on a one-yard buck.

Ottawa Hills is 3-1 for the season.

Lakeside's lone TD was scored by Steve Penry on a 19-yard pass from Ken Krynock.

To Grid Asset At Ottawa Hills

By MIKE TRESSLER

BEN DUFFEE was a top-notch tennis player last year and the best football player in his sophomore physical education class at Ottawa Hills High.

His phys. ed. talent didn't escape football coach Norm Neidermeier, who suggested Durfee join his after-school grid classes.

"We thought he had the speed to make a pretty good defensive back," Neidermeier said. "We finally got him to come out for the team."

Then fullback Rich Thal broke an arm in a pre-season scrimmage and an offensive job was created for Durfee.

"He improves every game and has become a powerful blocker," Neidermeier said. "He'll keep the job."

Durfee is now part of a blue-ribbon backfield that stars big halfback Jim O'Hara.

O'Hara has scored 10 touchdowns in leading Ottawa Hills to a 5-1 season record and a 2-0 league mark in quest of a second straight Seaway Conference championship.

"O'Hara can do just about anything," Neidermeier said. "We run him mostly on the power plays to the right side and he's the key blocker on sweeps to the left."

Packing 205 pounds, O'Hara has the power to match his speed.

"To see him run, Neidermeier said, "you wouldn't think he is fast. But he has touchdown runs of 60, 55, and 48 yards."

O'Hara, a junior, might have much more impressive credentials if he played more. But the Green Bears have won several games by lopsided scores and O'Hara has sat out most of them.

"Against Grand Rapids last week, he scored his two touchdowns in the first half and didn't play the second half," Neidermeier said. But it doesn't bother him. He's a team player all the way."

Ottawa Hills meets Liberty Center in a non-league homecoming game Friday, then has league games with Otsego and

Is Golden

By BILL BLADE SPORT

The name is different but a year ago, Jamie O'Hara, a suburban high school football sophomore performance, lead and ground gaining.

A year older now, O'Hara prefers to be known as Jim. His teammates call him "Gold," perhaps because on the football field he's as good as the precious metal.

The 6-2, 205-pound halfback is setting a pace that would enable him to total over 1,000 yards from scrimmage and score more than 100 points.

So far, O'Hara has rushed for 695 yards and tallied 82 points in leading the Green Arrows to five victories in six starts. Only Rogers' Dan Houston, with 88 points, leads the Ottawa Hills star in the city and suburban area scoring races.

O'Hara has gained 100 yards or more in four games, although seeing action for only one-half in three of them. He has scored at least two touchdowns in every

Congratulations to one of the finest football teams in Ottawa Hills High School history. The scoring power and rugged defensive play of this 1966 team may well ride as number one in the record book for some time. It will at least provide some incentive, as a mark to shoot for, when the 1967 team takes the field.

This team has learned well the many lessons football has to offer, they have recorded the indelible mark of CHAMPION in the book, and they have done themselves proud.

Sincerely,
Norm Niedermeier

Ottawa Hills Takes Crown Again In Seaway Circuit

By BILL FOX
Record Sports Writer

Ottawa Hills powerously included its regular-season basketball schedule Friday night in spectacular fashion.

The Green Arrows blitzed North Baltimore, 101-65, as they rained home 60 per cent of their shots from the field. They connected on 20 of 36 tries while coming to a 43-23 halftime bulge. They came back to bomb through 39 during a 58-point second-half spree.

The victory enabled Ottawa Hills to claim its second Seaway

route, and their winning streak is up to nine games.

For the seventh time this season, Ottawa Hills had five players score in double figures.

Eagle-eyed Dave Wolf pumped through 26 points, including 16 in the first half. Jim O'Hara, credited with nine assists, also found time to contribute 19 points.

The tallest Arrow of them all, 6-5 Mike Brooks, collected 16 points and pulled down 12 rebounds. John Yager, who grabbed 18 rebounds, tallied 11 points, the same number accumulated by

Jeff Steinberg.

Ottawa Hills' coach Dick Kuzma conceded his team's performance Friday was its finest of the season. "The kids were really ready," he said, "and for the three quarters they were in there, they never let up."

Arrows Respect Grand Rapids

By BILL FOX
Record Sports Writer

Back on Dec. 9, Ottawa Hills' basketball team walloped Grand Rapids, 68-45.

The Seaway Conference rivals meet again tomorrow night. Coach Dick Kuzma's Green Arrows should be heavily favored. All, they've won all five conference outings to date and sport a 10-2 record for the season.

Kuzma, however, is worried about the return engagement with Grand Rapids, and he offers several reasons to support his feeling.

"First of all, we're playing this one at Grand Rapids," the coach reminded, "and that will make a difference. Secondly, Grand Rapids was not at full strength for the first game. Their top scorer didn't play."

The Pirates' 6-4 Joe Minnick was sidelined Dec. 9 with the flu and saw no action against Ottawa Hills. He'll be ready tomorrow.

No one scored in double figures for Grand Rapids in its early-season setback at the hands of the Green Arrows. The Pirates trailed, 31-18 at halftime and were down, 50-23, at the three-quarter mark.

"It won't be that easy this time," Kuzma insisted. "I've been emphasizing this fact to our kids all week and I hope they're convinced."

THE ARROWS have shown an amazing scoring balance so far, thereby putting great pressure on opposing defenses. All five starters have scored in double figures no less than six times and four have hit 10 or more in virtually every contest.

Sharpest of the Arrows at the moment is John Yeager, who has finally shaken off the injury jinx. The 6-1 senior scored 24 points and grabbed 23 rebounds two weeks ago against Hamler and followed up with a 19-point spree against Fostoria St. Wendelin last Friday.

Ottawa Hills has a chance to pick up two victories this weekend and extend its string to seven. After finishing up their business in Grand Rapids, Kuzma's chargers

Dave Wolf Aids Ottawa Hills To 7th Seaway Win

By BILL FOX

Ottawa Hills lengthened its winning streak to eight games and Northwood ended its losing string at 10 contests to highlight action among suburban high school basketball teams Friday night.

Ottawa Hills bombed Otsego, 84-59, for its seventh straight Seaway Conference victory without a loss. Spectacular shooting by Dave Wolf featured the Green Arrows' 13th success in 15 over-all starts.

Meanwhile, two free throws by Jeff Turner after time had run out enabled Northwood to eke out a 37-33 decision over Lakeside.

In other games, Maumee Valley Country Day School downed St. John's, 42-37, and Spencer Sharples dropped a 68-62 verdict to Erie Maumee despite a 14-point advantage from the field.

WOLF CONNECTED on 11 of 14 field-goal tries, including six in a row during one span covering the first two periods. Seven of his 11 fielders in a 26-point splurge came in the opening half.

Ottawa Hills hit 45 per cent of its 66 shots in another sparkling offensive show. Wolf had plenty of help from John Yager, Mike Brooks, and Jim O'Hara, all of whom also scored in double figures.

Ottawa Hills roared past outclassed Metamora, 86-51, last night to capture the championship of the Swanton Class A Sectional basketball tournament.

Eleven players scored for the Green Arrows, who romped to their 16th victory in 18 starts and qualified for a super-sectional tourney meeting with North Baltimore next Friday at Bowling Green State University.

Four Ottawa Hills performers tallied 10 points or more. Dave Wolf and Jim O'Hara led the way with 18 apiece. Wolf collected 12 in the opening half as the Arrows charged to a 41-19 lead.

OTTAWA HILLS was in serious danger of being upset by Pettisville Friday night before Wolf sparked a last-ditch surge that produced a 71-69 triumph.

The Arrows, suffering a case of opening-night jitters, were behind, 61-55, with 5:42 to play. However, they outscored the Blackbirds, 16-4, during the next 4:52 to forge a six-point edge of their own.

Wolf scored 19 of his 24 points in the last half and 12 came in

of opponents in one of the weekends of the season against suburban cage teams.

Northwood will be trying to end a losing streak that has lasted eight games. The Raiders will play against York and Wood County in a pair of road games.

Ottawa Hills comes face to face with its toughest and most important assignment of the basketball season this weekend.

The Green Arrows may have to square off with two of the finest Class A high school teams in northwestern Ohio on successive nights.

They'll go against one of them for certain tonight when they clash with Carey—a big, strong team with an imposing record—in a first-round game of the district tournament at Findlay.

nal Associated Press poll. The Blue Devils were unbeaten a year ago until they bowed to Rossford in the district finals.

Carey boasts a three-man front line consisting of two boys 6-4 and another 6-3. The Blue Devils put the emphasis on offense with a run-and-shoot type of attack and depend on the three big men underneath to grab the basketball off the defensive backboard, trigger the fast break, then get down the court in time to stuff errant shots into the basket.

Ottawa Hills coach Dick Kuzma respects the Wyandot County powerhouse, but he's confident the Arrows won't be outclassed.

★ ★ ★

"CAREY is big, but not much bigger than we are," Kuzma pointed out. "Mike Brooks (6-5) is just as big and just as strong as the kids he'll be battling and John Yager doesn't have to take a back seat to them although he'll be giving away an inch or two."

The Arrows can match their opponents' offensive punch also, with Brooks and Yager smooth operators close to the basket and Dave Wolff, Jim O'Hara, and Jeff Steinberg deadly snipers from farther out on the court.

All five of Kuzma's starters are averaging in double figures with Wolff, a 51 per cent shooter from the field, leading the way. He's averaging 19 points a game.

Good Job' By Ottawa Hills Results Arrows Into District

a Hills will take a 12-winning streak and a 17-2 record into next Class A high school district tournament opening day.

Green Arrows qualified for second district tournament in three years by beating over Seaway Conference North Baltimore for the first time this season, 75-58, last night.

Victory, achieved before 1,000 fans at Bowling Green's indoor arena, gave Ottawa Hills a share of the super-section championship.

Baltimore elected to slow down the game with slowdowns in an effort to shake up the Arrows and throw them off their stride.

They wanted to stall, so we let them hold the ball for a while, Ottawa Hills coach Dick Kuzma said.

Later, Kuzma, sent the Arrows out in a full-court zone defense at the outset of the second

period and the complexion of the game changed abruptly.

With the score tied, 19-19, and only 30 seconds left in the half, Ottawa Hills executed three quick steals and turned them into baskets that produced a 25-19 in the second half.

★ ★ ★

THE ARROWS began pulling away in the third session as John Yager asserted himself around the backboards. The 6-5 senior collected 11 of his game-high total of 22 points and the Seaway champions carved out an insurmountable 12-point edge.

Three other starters scored in double figures for Ottawa Hills, which hit 47 per cent of its 62 shots from the court. Jim O'Hara netted 15, all of them in the second half, Dave Wolf tallied 13, and Jeff Steinberg chimed in with 10.

Steinberg stood out on defense, coming up with a number of steals off the press.

North Baltimore, beaten, 70-66, and 101-65, by Ottawa Hills in regular-season contests, fired a

McGuffey (Hardin County) by two points in their first assignment that time.

They have their sights set on a game.

Five Hills Players Hit Double In Loss

Free throws, coupled with a sparkling clutch performance by Carey's Tom Myers, proved the undoing of Ottawa Hills in the Class A high school district basketball tournament.

Outgunned from the field, 30 goals to 27, Carey converted 28 of 47 free throw attempts to send Ottawa Hills to the sidelines, 82-66, in the first-round district test Friday night at Findlay.

The Blue Devils had to uncork a 32-point fourth quarter, including 13 gift tosses, to hold off the Lucas County entrant and hoist their record to 21-1.

Myers, one of three Carey players who totaled 68 points, scored 13 of his 24 in the fourth period. The six-footer settled the issue by hitting seven straight points after the Green Arrows trimmed a 12-point deficit to five with three minutes to play.

Ottawa Hills was charged with 23 personal fouls to 14 for Carey and lost starters Jeff Steinberg, Mike Brooks, and Jim O'Hara as well as sub Tom Thomas.

★ ★ ★

THE ARROWS were hurt early by fouls when the 6-5 Brooks was saddled with his third in the second quarter and had to go to the bench.

Ottawa Hills sorely needed the rugged Brooks to combat Carey's trio of musclemen (6-5 Keith Orians, 6-4 Mike Jacoby, and 6-3 Larry Cole). Mike more than held his own while he was in there,

swished eight of 11 field goal tries, was tops with 18.

★ ★ ★

FRIDAY'S season-ending defeat was Ottawa Hills' first to a Class A club. The Arrows finished 17-3, and the other two setbacks were administered by Start and Whitmer, both Class AA schools. "I was proud of the kids," Arrows' coach Dick Kuzma said. "They played good basketball. I was pleased with their execution and they shot well from the floor."

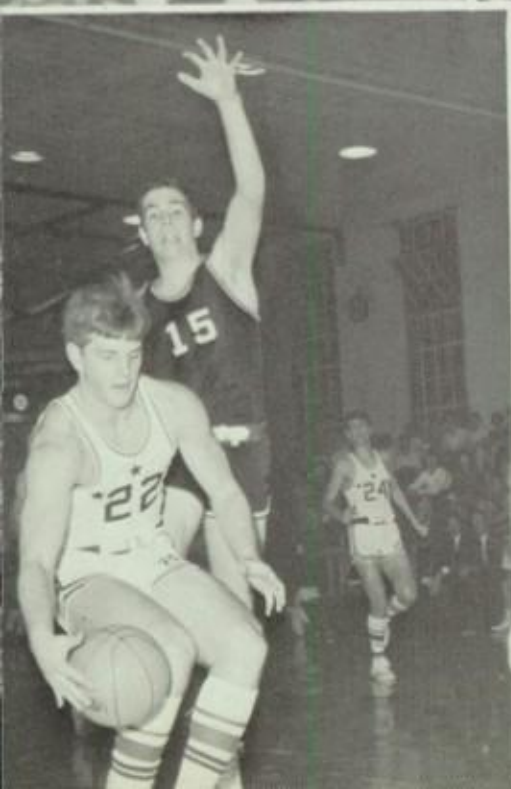

Ottawa Hills made good 48 per cent of 63 field-goal tries, but missed 12 of 18 at the foul line.

"Our bad free-throw shooting didn't figure in the final outcome," Kuzma said, "but things might have been different if we had been able to hit some early in the game. We made just three of 10 in the first half."

Regarding the personal fouls Kuzma commented, "The officials were calling them closer around the boards than we're used to, but I don't want to offer any alibis. Carey has a good team and

I would like to congratulate the 1966-67 Seaway Conference Champions and the Northwest Ohio Sectional Champs. In their drive for the two titles they have earned the distinction of having the most wins in one season, best won-lost percentage for one year, and the best three year record of 43 wins and 17 losses. Special recognition goes to the Seniors, who have given the leadership that is necessary for success. It is unique when all five starters are voted to the all-conference team, but this is indicative of the personal pride that each individual on the team has displayed.

Any coach could win with students and parents of this high caliber. Thank you for giving me the most enjoyable year of my coaching career. Your accomplishments on and off the floor will set goals for which many teams of the future will shoot.

Sincerely,

This 1967 MESASA is a collection of many and varied memories which represent the past school year: faculty, seniors, underclassmen, sports, activities—each having a precise personality, each having a unique color.

Both staff members and section heads have worked diligently putting moments onto paper. To them goes a well-deserved "Thanks." But all their effort and time would have been useless without the help of the student body; for what more is a yearbook but the events and activities of you, this same student body? Together you have made this yearbook a memorable one. This is your MESASA. This is your year. Color it Remembered.

STUDENT COUNCIL

Dear Fellow Students,

Looking back on and evaluating these past nine months has been an encouraging experience. While our reach has perhaps exceeded our grasp, it would be overly optimistic to expect that we could complete all that we had hoped in one year. We have tried to promote school spirit, leadership, and service, and thanks to your help I can say that we have succeeded. I am particularly gratified by our successful projects such as the buses, the lounge, and the assemblies which have helped us to make another step forward.

It has been our goal to be a creative Council and to utilize new tools and ideas to develop truly imaginative projects.

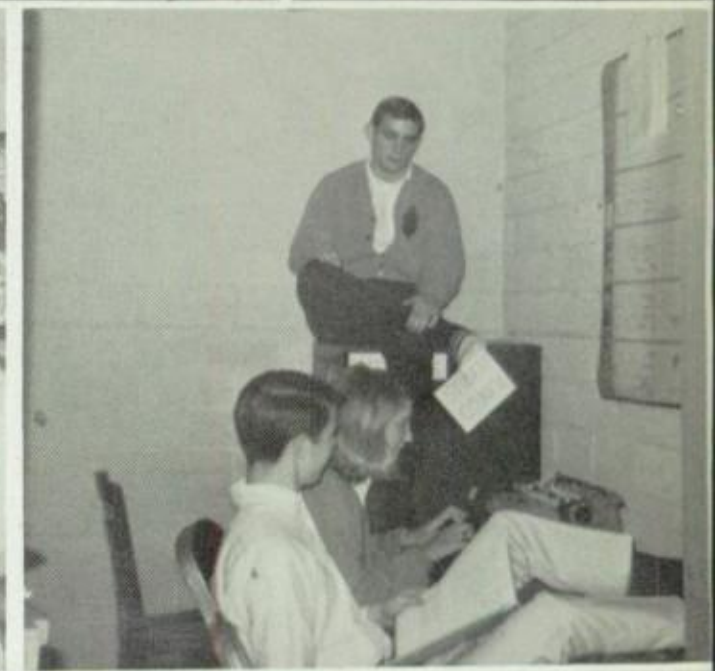

Now next year's Council must take our place, and I hope that their grasp will, in the best interests of the future and of tradition, exceed our reach.

INTER-CLUB COUNCIL

The Inter-Club Council, an organization often talked about in the past, became a reality this year. My thanks go to Mr. Docis, our advisor, and to all the club presidents who worked together throughout the year to schedule meetings, assemblies, showcase displays, buses to away-games, charity drives, dances, and other activities. Working together, we were successful in coordinating activities to eliminate most conflicts and in serving as a communication link.

OUR MARIA

I think it will not be easy for you to completely understand the feelings of a young seventeen year old Brazilian girl, when she finds herself in an American community, in the richest and most progressive country in the whole world.

To go to classes in this wonderful American School together with young people like myself, to share life in a home blessed by God where I am a much loved daughter and sister, and to find, in this school, excellent classmates and extraordinary, understanding instructors who have done much to strengthen my certainties of how beautiful and how good is democracy: all this I shall never forget, just the same as I will never be grateful enough to the American Field Service for this wonderful opportunity.

When I leave here with my heart full of love and longing, this, the happiest year of my young life, will always inspire me with friendship and gratitude for this noble country and with ever present remembrances of my dear classmates and of my patient and learned teachers' enchanting personalities. I will always rejoice in reliving every one of these unforgettable days.

Sincerely yours,

Maria de Lourdes de Souza

The goal of the 1966-67 Varsity Club has been that of improvement. This goal was accomplished through the provisions of our new Constitution and the increase in the number of our activities. Attendance on bus trips, dances, and meetings were bettered in every way. I especially want to thank Mr. Niedermeier and Mr. Kuzma who were most responsible for the Varsity Club's improvement this year.

WORLD AFFAIRS

To further and broaden the interests of students in events that occur every day on the local, national, and international levels is the main objective of the World Affairs Club. We have had an extremely successful club this year, as our membership was the largest in our existence and active participation was also at an all-time high. I have greatly enjoyed being President, and I hope the World Affairs Club will continue to flourish for many years to come.

ARROWHEAD

The ARROWHEAD staff has been challenged to equal last year's Superior rating from the NWOJA. Whether this feat is accomplished or not is yet to be decided, but regardless of any decision, this year's staff can be proud of its achievements.

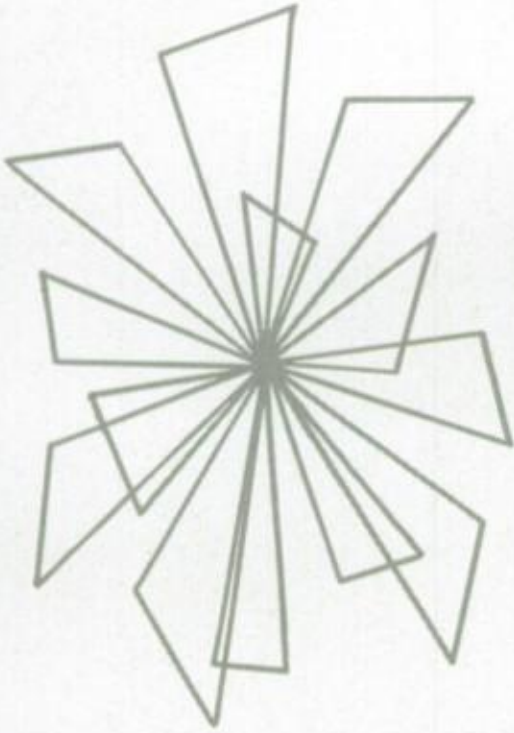

Willingness, work, and cooperation are the key words in describing this year's staff. A great deal of time and effort were put into the paper. The staff came in before and after school, as well as on Saturdays, to give the Students a bigger and better eight-page paper.

INTERLUDE—YOUR YEARBOOK STAFF IN ACTION

"Ha, ha, guess what you guys, no yearbook this year!"

"No, Debby, you can't put Steve's picture in the yearbook!"

Helen, what are you doing in there?

Hey kids, let's watch the reading material in the Mesasa room!

Karen? Karen, Mr. Kuzma is here!

"We're \$500 overdrawn!"

Yes, Karen, we think those girls are silly too!

Now, Ev, let's try that page again.

Y-TEENS

The purpose of the Y-Teens Club as stated in the constitution is to, "broaden the interests and the lives of its members and to serve the school and community." This year through a tea for new members, making green and white shakers for school spirit, a party given for needy children, a Thanksgiving basket for our welfare family, a T.B. service project at the Y.W.C.A., bake sales, and quarter dances we have tried to fulfill our purposes.

Many thanks go to everyone who supported our Y-Teens' projects and to Mrs. Sunderman, our advisor.

G.A.A.

The purpose of G.A.A. is to give girls interested in athletics the opportunity to play competitively outside of the physical education class. By competing in games against area schools and by playing sports in an intramural program between the different grades of our school, girls are better able to learn and practice individual skills, to understand the meaning of sportsmanship, and to have a greater respect for athletics.

This year the Drama Club produced two plays which were immensely successful. Noel Coward's *BLITHE SPIRIT* was done in the fall, and the musical *ONCE UPON A MATTRESS* was done in April. These two comedies were not only hilariously funny, but also were the two most professionally done plays that Ottawa Hills has ever presented. Under the direction of Mr. Vance McCarter, the Drama Club has developed a production system comparable to the one used in the professional theater. The result of this new production technique has been evident in the increasing standards of quality set by this season's two entertaining and memorable plays.

to the new graduates

As parents, neighbors, and friends we naturally have a special interest in the quality of our schools.

No community is better than its schools, and no school is better than the determination and willingness of a community to support standards high enough and broad enough to meet tomorrow's levels of need, both vocationally and for citizenship.

LIBBEY-OWENS-FORD

a Great Name in Glass

TOLEDO 2, OHIO

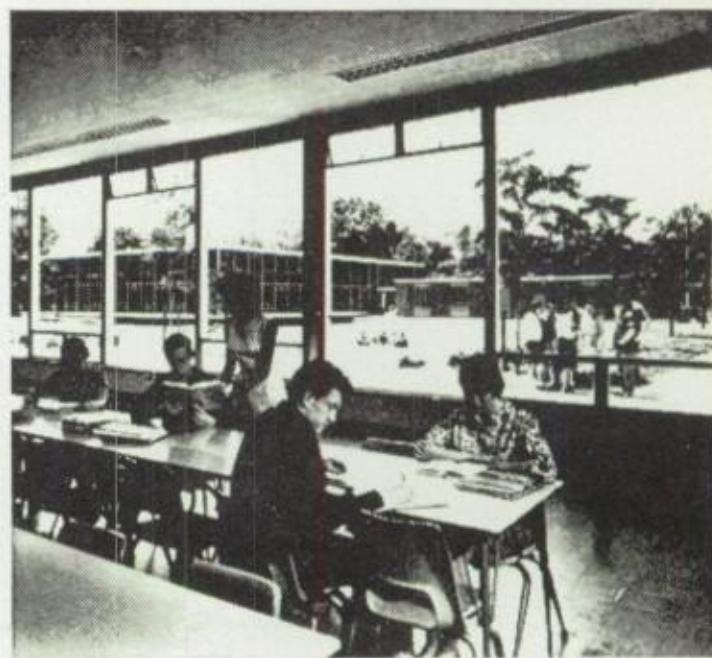

What a wonderful Open World

Have you noticed schools like this on your travels? Probably, because new buildings are springing up everywhere. They are beautiful and functional structures with large glass areas to create an "open-world" atmosphere to eliminate the feeling of being boxed in.

Wherever you live, work, shop or travel, you'll find L·O·F Glass making it more enjoyable. In homes, motels, schools and stores. In offices and factories. In hospitals and churches. In cars, buses, trains and planes.

There's an L·O·F Glass that insulates windows. It's called *Thermopane*® insulating glass. Another subdues sun heat and glare. L·O·F Glass that makes automobiles safer. L·O·F Glass to do a thousand things.

And when anyone needs glass, there's an authority on it nearby—your local independent L·O·F Glass Distributor or Dealer. His name is in the telephone book Yellow Pages under "Glass". Call him.

Laboratories, shops and studyrooms are separated from twin classroom buildings by a broad, central court, Ithaca Senior High School, Ithaca, N.Y. Architects: Perkins & Will, White Plains, N.Y.
